Totally original style of music, played mostly on the electrified Autoharp, with lots of odds and ends mixed in. 13 MP3 Songs KIDS/FAMILY: Kid Friendly, FOLK: Folk Pop Details: My most popular CD. This album is very special. Not only have the title song, "Kick In The Butt," and the song, "The Gardeners Coming Today," received national air play on The Dr. Demento Show, but "The Gardener.." has been made into a digital video short! Also, popular Los Angeles and syndicated talk show host, Larry Elder, has personally endorsed this CD! He loves "Kick In The Butt," and you will too! This may become your most-played CD!

\*\*\*\*\* Press Reviews Says LARRY ELDER, aka "The Sage From South Central," Los Angeles radio talk-show host, and nationally syndicated columnist: "The first time I heard KICK IN THE BUTT, I said, "I've been waiting for this song my entire life!" To all the doofuses who bring too many items to the checkout lane; to all the inconsiderate morons who yak during movies; to all the knuckleheads who take two lanes to park; and finally, to all the whining "vicitrats" of whatever race, ethnicity, or gender, walking around with "you owe me" chips on their shoulders- THIS SONG IS FOR YOU!!!
