Tom Taylor is the definition of "Solid" when it comes to drumming, and is the backbone of JCB. Roger Roberts has played with The Righteous Brothers, touring the country, and blows a Tenor Sax like no one else. Yeshwua has played nearly every major venue from NYC to LA and in between, helping with the solid, deep groove in JCB is his business. Bill Bastian has played with people like Betty Joplin and Joe Ferrill and can make a B-3 stand up and salute!
