Nash From the streets of Milwaukee, WI., to the Wall Street of Corporate America, back to the streets of Milwaukee, Vinnessey has come full circle to represent the love I crafted as a child. Utilizing the skills, organization, and persistence I learned in the process, along with my supreme hustle skills given to me by the streets, I have set forth to represent a trilogy of success... 1. Success on my behalf to show that Vinnessey is the realest to ever do it 2. Success to show that the Midwest is the next region to rise 3.
