

Mp3 Volker Klenner & His Boston Bluesfriends - The Way I Found The Blues

[DOWNLOAD HERE](#)

Blues in a German/American cooperation, the german guitarplayer with the former Band of Ronnie Earl. 11 MP3 Songs BLUES: Electric Blues, BLUES: Guitar Blues Details: Volker Klenner, a former student of Ronnie Earl and Duke Robillard on his Debut-CD "The way I found the Blues" with Bruce Katz, Rod Carey and Per Hanson, better known to Blueslovers as "the Broadcasters", the former band of Ronnie Earl. Blues Revue Jan/Feb 2001: "... Klenner is an accomplished player with 11 sturdy originals here. Katzs organ work is top-notch, duelling with Klenners churning rhythm chords, each inspiring the other to greater heights. Best cut: "Remembering Curtis", an emotional and rich soul instrumental ballad." Kansas City Blues News, September 2000: "... - followed by the title cut, which shows that a white German guy can indeed play and sing the blues." R&B Music Primer (Online Review) "... What makes the album worth a visit are the exemplary guitar playing and songwriting. Songwriting that extends beyond the competent and orthodox is what will keep the blues alive, specially when its this good." Total Review: rhythmandtheblues.org.uk/reviews/volkerklenner.shtml
