Persuasion Power For Pounding Pussy! How To Induce A Hypnotic Trance In 3 Minutes Or Less And NEVER Get Caught! The other day I was reading a truly preposterous book on classical hypnosis. According to this book, very few people could actually be hypnotized. Even then, according to this book, it could only be performed by a highly trained, competent professional hypnotist. As you know by now, my opinion of these academic psychologists and hypnotists is lower than a midgets kneecaps. In fact, to take it a step further, let me give you Seduction rule #45: Whenever An Expert or Professional Says Something Cant Be Done, What They Are Really Saying Is THEY DONT KNOW HOW TO DO IT!!!! In fact, I would have to say that NOTHING impresses me less than a professional holding court. Most academics couldnt think their way out of a paper sack, much less get anything done in the real world. So today, my faithful and loyal reader, Im gonna show you how to induce a hypnotic trance in VIRTUALLY anyone, in any situation.(Sorry, you wont JUST be able to attract the hottest women with this; youll also be able to close impossible business deals, make tons of money, etc. A shitty deal, but there you are. Live with it.) Along the way, Im going to change your mind about just what constitutes hypnosis anyway.
