

Macroeconomics And The History Of Economic Thought

[DOWNLOAD HERE](#)

The essays in this Festschrift have been chosen to honour Harald Hagemann and his scientific work. They reflect his main contributions to economic research and his major fields of interest. The essays in the first part deal with various aspects within the history of economic thought. The second part is about the current state of macroeconomics. The essays in the third part of the book cover topics on economic growth and structural dynamics.
