

Moral Revolution: The Naked Truth About Sexual Purity - , Jason Vallotton

Sex. Purity. Virginity. Love. Moral Revolution seeks to inspire a culture of noble people to walk in purity, passion, and power and to help restore those who have fallen. This non-religious, intimate, and honest look at sex is a training manual that will equip you to survive the battlefield of your own sex drive, overcome the power of peer pressure, and push back the cesspool of distorted cultural values. It will help you to emerge from combat with your trophy of purity intact so that you can present it to your lover on your honeymoon night. Many who have fallen in this battle or have been wounded in this war will find hope and courage to start over again. Moral Revolution is written for radical lovers and passionate people who dream of being catalysts to another sexual revolution: one that transforms the way the world views sexuality, defines the unborn, and embraces the family.
