Acoustic rock 3 MP3 Songs FOLK: Alternative Folk, ROCK: Acoustic Details: Im a singer-songwriter originally from Indio, CA., but currently living in San Diego CA. In the last few years there have been a series of events that have resulted in me being more in tune with myself and music. I found that creating music through my acoustic guitar and vocalizing my inner-emotions, has helped me a lot along the way (theraputic alomost!). These 3 tracks are the first songs I've ever recorded in a studio; its raw, just me a guitar, mic, heart and soul. Thank you for your time. A.C. People who are interested in Chris Cornell David Grohl Eddie Vedder should consider this download.
