

Mp3 Bob Katsionis - Turn Of My Century

[DOWNLOAD HERE](#)

Bob Katsionis is the number one keyboard player of Progressive and Power Metal in Greece 17 MP3 Songs METAL: Instrumental Metal, METAL: Progressive Metal Details: Greek keyboardist/guitarist extraordinaire Bob Katsionis sets the tone on the inside of the Turn Of My Century CD with, "Speed Kills...Warp Speed Rules!" Then, Katsionis proceeds to blow your face off on both keyboards and guitar over the seventeen neo-classical and progressive instrumental tracks. His music features inspired melodies along with dreamy solos and oriental dances - all in a progressive/fusion "out-in-space" mood. Katsionis is known as THE keyboard player in Greece, but his facility on guitar will interest fans of the Guitar Nine site - this guy rocks with the best of them. He's also got no problem pumping blazing keyboard runs through a wah-wah pedal, which adds an even more guitaristic feeling to the proceedings. Turn Of My Century - get it while it's hot!
