Ecumenical Christian music ranging from quite and meditative to uptempo remixes of old favorites. Portrays our vision of God, church, and faith. Single "Wade in the Water" is #6 on the PCM network. 14 MP3 Songs GOSPEL: Contemporary Gospel, POP: Piano Details: Alan and I have been contemporary Catholic music partners for four years. Most of our work is done in the context of leading worship for Sunday mass, weddings and funerals. As an expansion of our ministry, our communities began to ask us for recordings of music they had heard us lead during worship. You Are Child is the product of that request. Containing works previously published by Christian composers, we have chosen songs that speak to us of our spirituality as children of God and the growth God fosters within us through the gifts of ministry and friendship. We have chosen the sculpture of "The Awakening" by J. Seward Johnson at Hain's Point in Washington, DC for our photo backdrop to enhance the image we hope to portray; that we are all God's children, formed in His likeness and held gently in His hand.
