Original and unique traditional country music from one of Nashville's most creative songwriters. 15 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Americana Details: VISIT DaveCoxMusic.com COMING SOON (Summer 2008): Dave Cox's Greatest Misses After an almost two year recording hiatus Dave Cox is back and better than ever. Over And Out features more of Daves unique spin on true country music with his distinctive writing style. Contained here are a lot of the songs that have been requested day after day over the past couple years at his shows in the honkytonks on Nashvilles Lower Broadway that were never available on a CD until now. This album features the provocative lyrics that Cox has been known for in such songs as My Neighbors Ass, The Color of Your Soul and Twice- all the while being backed by some of Nashvilles most talented musicians. From the hillbilly strains of Its Hard to Sing the Blues to the Roger Miller influenced The Opposite of Me this album features that authentic REAL country sound combined with unconventionally superb lyrics that Cox fans have enjoyed on his previous albums. An added bonus contained here is the final track- Extravaganza! which is over 22 minutes long and features seven songs from Cox's recent past. Yes, you read correctly- a seven song medley closes the album. So while there are 15 tracks here an actual 21 songs comprise this CD- over an hour of some of the most unique and countrified country music that you can get your hands on! If youre a fan of true country music then you will most definitely enjoy this album and all of Dave Cox's CDs.
