" - David Perozzi, ABC News "Shine is the window into the life and times of a little known songwriter that has found the key to connecting with people, where they are and where they have been." - Romeo Thomas, Dir., Artist Development, Epic Records #1 CD on Kweevak.com's top 10 for 2000 Pahanish reveals a passionate collection of intimate lyrics and soulful melodies with his sophomore release Shine. He reflects the conviction of artists like Joni Mitchell, Bruce Springsteen, Paul McCartney and Van Morrison. Like these artists, his music resonates the content of this period captured in current pop production. At first listen, Shine seems somehow familiar and with continued visits a deeper relationship is easily established. The music leads the listener down paths of their own life taking them through seasons and experiences that seem to play back a personal yearbook of sorts. This CD will not leave your player.
