Instrumental worship for prayer and inspiration. 15 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Meditation Details: "I've often wrestled in my personal, private time with God, fumbling my attention here and there, trying to regain focus, meaning well but not maintaining well. Then one day I asked my keyboardist, Mason, to record some instrumental songs for me to use during my personal devotion time. What Mason recorded was not just an instrumental score of songs, but a spirit-filled vehicle that ushered me into the presence of God every time I listened to it. As the songs rang into the atmosphere, I found it easy to focus my heart and thoughts on the Lord. His initial work was the forerunner of Place of Intimacy. This CD has been widely used, not just in personal devotion times, but in corporate church prayer meetings, lullabies for the new mom dad, dinner music, and even at Doctor's offices. It has enhanced and accelerated the quality time I spend with God and I know it will do the same for you." This contains all of the worship songs that David has written over the past few years plus 2 original instrumentals by Mason put to smooth and gentle piano and beautiful strings, featuring Mason Embry, David's keyboardist. It is an instrumental CD that communicates the peace, hope and love of God. Produced by Mason Embry.
