Acoustic/ Alternative album with compelling lyrics and edgy vocals, some of the most honest and real music ever. 12 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: Estela Puelma--Purple Sky A young woman's soulful songs of life, love and hope. Estela's beautiful voice and meaningful lyrics deeply touch everyone that listens. Her style has been described as Alanis Morissette meets Neil Young. She started singing almost as early as she learned to talk, but it wasn't till her teen years that discovered and developed her ability to play guitar and write the lyrics that accompany her powerful voice. When you hear her sing, you can truly feel her desire to share her heart and love that seems to inspire her to be the person she is today. Listen to Purple Sky, and you will connect with the raw power and emotion that is buried in all of us. You may never take this out of your CD player.
