Electroacoustic. An amalgamation of jazz, hip hop, electro and nerdy synths, cut-up samples and low slung breakbeats 16 MP3 Songs HIP HOP/RAP: Trip Hop, ELECTRONIC: Down Tempo Details: The first stage has been reached; the album has been made. Peacock People arose from the intention to create a unique form of sample-based music that extended past traditional stylistic associations. Drawing influence from a variety of genres, the album exhibits a creative synergy as intriguing its' disparate elements. Currently Filmic is a collaboration of two. Circumstance will expand and diversify the project towards a self-sustaining artistic collective intent on diversifying sonic and visual conventions. Filmic is based in New Zealand, which allows our sound to represent an antipodean perspective and it is through this filter that our distinctiveness takes form.
