

Mp3 Frank Taylor, The Flying Scotsman - Original Tracks

[DOWNLOAD HERE](#)

Maritime, Celtic, Scottish, Irish, traditional folk music. 13 MP3 Songs FOLK: Celtic Folk, WORLD: Celtic

Show all album songs: Original Tracks Songs Details: Frank Taylor is a proud Canadian, energetic entertainer, accomplished musician, veteran performer and recording artist, who commands the attention of pub, festival, convention and stage audiences. The Flying Scotsman provides a wonderful show for all your Maritime, Celtic, Scottish, Irish, and Traditional entertainment needs. Frank is not just an accomplished musician but a great entertainer and artist. Frank's love for traditional music shines through in his performances. Frank's powerful vocals and skillful guitar playing entertain any size or type of gathering. Frank's unending reserve of energy is engaging, and delights his audiences. His words and music touch your soul. Frank's chief instruments for his show are the guitar and bodhran (Celtic drum) and he also plays the mandolin, banjo, and autoharp with flair. Along with his own compositions, Frank's repertoire includes Celtic, Colonial, Contemporary and Canadian selections, spanning from songs by the famous Scottish poet Robert Burns, to many current artists.
