Yuletide music reflecting 800 years of celebration, in gorgeous new arrangements for harps, recorders, bowed psalteries, and light percussion. 13 MP3 Songs CLASSICAL: Contemporary, FOLK: Traditional Folk Details: Long Night Bright Star is a quintessential instrumental holiday album, exquisitely capturing the joy of the season as well as the meditative and haunting quality of snowy winter nights. Traditional favorites are included (like "Greensleeves" and "Deck the Halls") as well as rarer musical jewels from medieval and Renaissance times, and beautiful ethnic treasures from Ireland, Germany, and France. This is pure music with acoustic instruments -- without heavy reverb, "nature sounds," or synthesizers.

Features the folk harp, the ancient wire-strung harp, the rare cross-strung harp, bowed psaltery, and recorder with incidental and tasteful percussion. Letters and comments from fans: "After hearing this I basically put away all my other Christmas music." "I listen to this CD every year as I decorate my tree, and it's just perfect!" "I don't let myself play Christmas music at home until December 1st, and your CD is always the first one I listen to." "Very cool - Christmas music cleverly disguised as *real* music!"
