Eclectic mixture of Hardcore and Disco from Arlington, VA. High intensity and groove oriented. 11 MP3 Songs
ROCK: Emo, ROCK: Funk Rock Details: Humanroom is an energetic mix of multiple styles that has no boundaries. Formed in summer of 2001 by 5 individuals from the Northern Virginia area, the goal was to make music that they liked. What was created was a culmination of styles that can best be described as "disco-funk metal". From the schizophrenic, "Prozak Attack" to the reggae groove inspired "The Joint"; Humanroom has run the musical gambit. Captivating audiences around the local area for 2 years with their high-energy performances and sharing the stage with such acts as Fishbone, Candiria, KingsX, Dog Fasion Disco, Phunk Junkeez, and Vanilla Ice, they have made a name for themselves for putting on one of the best live shows in the area. After successfully releasing an album and EP they have released the long anticipated sophomore effort "Half Truths and Petty Differences. The crowds have come and the message has been spread. Humanroom has arrived to thrill the masses with it's unique style of music.
