Details: J-Dub (Jeffrey Jackson), is 22 years old he was born in Greensboro,NC. At the age of 7 he moved to Cleveland,Ohio with his Mother and his Stepfather. Jeffrey has always had a love for music and writing. In the 4th grade his teacher used to ask him to stand in front of the class and recite his poetry. That year he also won the Martin Luther King Jr. award for best essay. By the 7th grade Jeffrey started losing focus in school and in those things that his mother instilled in him, He started wanting to do the things that he saw in the neighborhood. In the 8th grade J-dub and two friends formed a rap group Influenced by the streets and things they saw around them, they started rapping at parties and basically just on the street corners. Although the attention they were getting, something inside J-Dub, always reminded him that God had another plan in mind. Jeffrey's mother saw how different he was so she tried to get him away from that environment, by sending him back to Greensboro to live with his father. Their J-Dub took a crash in the book of life, and found himself in a position that only God could pick him up from. At age 17, J-Dub got saved. It took a lot of determination but God changed his life. Now J-Dub uses his gifts telling thugs,drug dealers, gangbangers, prostitutes and people of every color and all ages, that we don't have to settle for what we see. Through God we can do anything.
