

Mp3 John Shelly And The Creatures - Angeline

[DOWNLOAD HERE](#)

Following the release of the band's EP "Big Day Out" in 2007, John Shelly and the Creatures release their debut single "Angeline". 2 MP3 Songs in this album (5:44) ! Related styles: POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Details: July 2007 saw John Shelly and the Creatures start touring under the release of their first recording "Big Day Out" A year later, with more live experience and a greater thirst for success, the band are now gearing up to release their new single "Angeline". With more singles ready to be released in the near future this band has a live show not to be missed. They are influenced by a wide variety of genres and are not afraid to mix things up when it comes to recording and playing live. With comparisons being made from the likes of The Band to Low and The Killers it would be nearly impossible to sum up John Shelly and the Creatures into just one sound. You'll just have to check them out and decide for yourself.
