

Mp3 Johnny Worlds Of New York - Thrill Of A Lifetime

[DOWNLOAD HERE](#)

A smooth Jazz extreme which covers the total market. This CD reminds you of sounds from the 80's only with a 21 Century twist. There is a hint of R&B, Pop Jazz and much more. What can you say, it is the new smooth Jazz of today. 9 MP3 Songs URBAN/R&B: R&B Pop Crossover, JAZZ: Smooth Jazz Details: Mr. Johnny Worlds has been a part of the hit making community for years. Coming in the music business through Clyde McPhatter, he worked with many great R&B artist during the early years of R&B music. Sonny Til, The Paragons, Simply Magic, Freeda Payne, Sammy Davis Jr. are just some of the names that he has worked with in various capacities ranging from Road Manager to producer. His list of production success extend decades of hit music. Thrill of a Lifetime is his first self-produced CD. It is a production that he says is inspired by real life experiences. It is a sexy, fun yet inspiring musical adventure and one that certainly reflects the many years of experience in both the music business as well as in life. You will find it enjoyable from the beginning to the end.
