[DOWNLOAD HERE](#)

Innovative and soulful R&B Gospel with creative elements of pop, jazz, reggae and house. 12 MP3 Songs in this album (47:47) ! Related styles: URBAN/R&B: R&B Pop Crossover, SPIRITUAL: Contemporary Gospel People who are interested in Whitney Houston Mary Mary Beyonc should consider this download. Details: One listen to this album and you will agree that Kambri Williams is an amazing vocalist and song writer. "Speechless" is her debut CD album on the Legacy Music Label and the fruition of a year and half of writing, production and recording. Kambri was born and raised in Lousiana and comes from a rich musical heritage. She was destined to be a recording artist and musician from an early age. "Speechless" showcases Kambri's vocal maturity, her depth as a writer and her rich musical influences from Gospel, R&B, Pop, Reggae and Dance music. Her vocal phrasings reveal an influence from the early R&B and Jazz greats as well. With so many talented musicians, producers and co-writers contributing to this project, it is no wonder that this album is an astounding work of audio art. There are many radio friendly tunes and soul moving songs on this album and Kambri's energy and passion shine through on every composition.
