

# Mp3 Land Of Chocolate - Regaining The Feel

[DOWNLOAD HERE](#)

forward-thinking MELODIC progressive rock, chock full of intellectual hooks, mixed meter grooves and soaring 3-part vocal harmonies... truly music to make your mouth water. 10 MP3 Songs ROCK: Progressive Rock, ROCK: Jam-band Details: Land of Chocolate continues to defy musical expectations with their latest release "Regaining the Feel"... continuing their unique trademark blend of melodic progressive rock displayed within "Unikorn on the Cob", LoC has reached new musical heights with the additions of guitarist John Covach, bassist Gerald Wilson and drummer Wes Hare... Fans of multi-part vocal harmonies in the vein of Gentle Giant, King's X, and Echolyn will be enthralled by the melodies and harmonies contained within RTF, while those who like their music complex without being over-the-top (i.e. wankery) would do well to feast on this morsel of Chocolate. One listen to the sound samples (as well as a full MP3 available at [landofchocolate.com](http://landofchocolate.com)!), and you will quickly understand why LOC is at the peak of the underground musical revolution.
