Mp3 Matthew Reeves - Troubadour's Bouquet

DOWNLOAD HERE

A compilation of art songs and operatic arias, set to piano and tenor voice; the ideal living room recital on CD. 15 MP3 Songs CLASSICAL: Contemporary, EASY LISTENING: Crooners/Vocals Details: Matthew Reeves has been a singer for 27 years. He started with singing and playing the guitar, studying and performing a wide variety of American and Irish Folk music. He has since added Broadway showtunes, classical/art songs and operatic arias to his repertory. Matthew Reeves has performed in college and community theater musicals as well as classical music recitals and private concerts. Backed by only a piano, Reeves enjoys singing to an audience anywhere from as few as 10 people to as many as 2,000. This CD is a compilation of some of his favorite pieces collected over the years.
