Kelly Dave Hollister Joe should consider this download. Details: Long gone are the days when artists got together with their instruments and played music live. With so many technological advances in music, instruments have almost become obsolete- until now. And New Orleans-born R&B/ pop/ soul singer SJ breathes new life into music with live instrumentations and heartfelt vocals. Now on the heels of With You, SJ will sure make his mark soon with cuts like the mellow Say I Do. Crooning over hypnotic piano chords, a sensual string section and soft, repetitive snares, SJ serenades his sweetheart into holy matrimony. On the rousing Lets Get It Poppin, SJ fulfills the fantasies of that special someone with a hot bubble bath, moonlit dinner and tempting harmonies.
