Details: With their dark 80's UK pop/shoegaze vibe, The Disraelis' sound is at once deep, cool and hopeful. Formed in 2005 in Toronto, Ontario, The Disraelis are one of the most consistent and amazing acts within the Canadian psych/shoegaze scene. The Disraelis sound has been said to make one pine for the good old days when Yorkville was infested with hippies instead of yuppies. (Chart Attack, 2008), their live show noted as one with canyon-filling riffs that ring in your ears for days after the show... (Varsity Online Review, 2007) and their style as unapologetically abrasive, this is a band with a self-awareness that comes from years of being immersed in the music scene (SoundProof Magazine, 2008).
