[DOWNLOAD HERE](#)

NOTICE... The Songs From the REAL LIFE CD will soon be discontinued the replacement CD is Rookie of The Year by The F.A.M. it has all of the songs from this CD and more check it out at [cdbaby.com/thefam](http://cdbaby.com/thefam) 7 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hip Hop Details: The F.A.M. A perfect blend of diction, tone production, phrasing and a host of dynamic subtleties characterize their rap styles. As one of the East Coast's leading groups in Hip Hop music, they are acclaimed for their positive insight and impeccably balanced sound. The F.A.M. (MLG, Deuce and E) are widely known for their success in the recording of three audio CD's, "Multiplication Hip Hop", "It's Elementary" and "Science and Geography" for De-U Records. The 2003 release of THE F.A.M.'s new CD, "Songs from the "REAL LIFE" CD", a triple single CD release marks the beginning of a new era in hip hop music. This CD is trend setting, hard hitting and thought provoking. The F.A.M. is guaranteed to satisfy. The tracks "MARY" makes you bob your head, "U AIN'T GOT TO SAY" makes you dance and "MOMMA" will make you reminisce. The tracks are created by one of the East Cost's hottest and newest music producers, Alonzo Powell (Zo) of De-U Records. This CD is an instant classic, a hit and a must have! Get it now.
