The priests could not continue their work, because the glorious presence of the Lord filled the temple of God. (2 Chronicles 5:13-14) The purpose of Cloudy House Music is to encourage, inspire, and equip the church to become increasingly more intimate with the almighty God of the Bible. As in 2 Chronicles, powerful things happen when Gods people unite for His glory. That said, we hope and pray that you find yourself singing these songs both in and outside the walls of your church, transforming whatever your environment, into a cloudy house.
