I kick lyrics for fun and information 'cause my lyrics are IN-FORMATION like an army. Every paragraph flows and goes to perfection, the perfect fit like stetson. I enjoy hip-hop and being creative, won't flip-flop, heck I'll grip and pop just to the reach the tip-top. It's fun as well as challenging. All of these rappers rep their hoods, I'm repping the D.C. hood, Maryland (ThoroughLAND) to be exact but the D.C. metro area of Northern Virginia, D.C. and Maryland. I compose, produce, and arrange all of my tracks, I write all of my flows. Check out my previous two (2) albums also on CD BABY (D.C. State of Mind [first and most popular CD] The Usual Suspect: D.C.'s Finest). I divided this album, Vote For Verbal, into two (2) parts: The first 8 tracks are crunk/party music. The next 7 tracks are more traditional hip-hop flows. And the last two are well orchestrated plug-ins."
