Dunn for help with post-production audio and graphics May we all be inspired to put God first Thanks, Praise and Glory to God our Father and His Son Jesus Christ We are Songwriters dedicated to our art and want to share our original musical compositions with you. Our real hand-carved rock cover design symbolizes the dedication to our art which we so much want to share and express. Born and raised in the foothills of northwestern Pennsylvania our influence of music stems from the great creative rock songs of the 70s as well as traditional folk. Our love of traveling drew us south from Memphis to the gulf and east coasts. For over twenty years we performed for private and public audiences on this road of life. We also were active in displaying our God given talents as fine artists drawing caricatures and making handcrafted items. Festivals, fairs, resorts, fiddle competitions, bluegrass festivals, restaurant -bars, coffee shops, steam engine shows and country market were a way of life. The opportunity of meeting many people from horse traders to the rich and famous was a unique pleasure. CARVED IN STONE is our first self-produced 10song CD album and our first religious related compositions. The words and music of this album are truly a sent gift from God. It was our decision to put it in front of our other 70 plus catalog of original works of music. Please enjoy the whole concept and message of the whole album as a loving person in God. Other styles of music are soon to be released as

we continue on this road of life. OUR GOAL IS TO HAVE AN ESTABLISHED ARTIST PERFORM OUR MATERIAL WITH A TRUSTING CONTRACT. HOLY STAR (1 of 10) The birth of Christ should be celebrated everyday not confined to Dec.25. We do not know of any records biblical or otherwise that make claim to that date. Although Christs birth is fully documented we do not have an actual date. Matt. Chapter 1 The holy star was the first sign of light showing the way for all to lay eyes upon Christ, Gods only born son and the gift of God. Luke 2:14 Hallelujah means Praise Jehovah Rev. Chapter 19 LORD GIVE ME STRENGTH (2 of 10) In this everyday world we need help in some way, sometime and from somebody. Who better to ask? Isaiah 40:31 Jesus is coming back soon and in these end times we need to pray for strength. Matt. Chapter 24 Put on the whole armor of God Ephesians 6:10-18 Romans 6:23 Philippians 4: 6+7 CARVED IN STONE (3 of 10) Written with the finger of God, the 10 major laws, which are the will of God. Without these 10 commandment laws, civilized society will not and cannot function. We emphasize that we must try to do Gods will. Exodus 20: 3-17 Deuteronomy 5:7-21 + 6:4+5 Matt. 22:37-I John 5:3 CAPTURE RAPTURE (4 of 10) Written in catchy slang phrases that catch the sequence of events of the last days and how its all going to go down according to the Revelations written by John A.D. 95. The word rapture is not written in scripture. It refers to those that will be taken up temporarily into a safe heaven during the end days. None of us look forward to tribulation and all of us need to pray for Gods protection during this predicted time. Let us pray that we will all be spared from the Great tribulation. Matthew chapter 24 verses 40-42 explain the rapture. Revelations 1:1 Bebo, which is our nickname for Beelzebub Matt. 12:24, Mark 3:22 + Luke 11:15 is one example of our catch slang phrases. Matt. 7:21-23 GOSPEL BLUES (5 of 10) This is hard-core gospel written in slang. This song depicts the dos and donts of the Bible all simple and pure. The bottom line is that if you do not tell anybody about the gospels they are useless to you. The controversial 2nd verse is Jesus at his crucifixion. Jesus no doubt had doubts. Jesus the son and servant of God the Father, who is so pure and Holy he cannot be tempted nor look upon sin. Mark 15:34 Luke 23:34. Seek the Truth in these Gospel Blues. Jesus the son taught us to pray to the Father. Matt. 6:9 John 17:3 John 3:16 John 8:32 John 14:6 John 14:28 LOST GARDEN (6 of 10) Reveals inspiration with truth. How to get to the lost garden is worth seeking. Love God first and respect the earth that He made for us forever. Matt. 5:5 Rev. 21:4+23 Rev. 22: 18+19 NEW CHRISTIAN (7 of 10) Becoming a Christian is accepting Christs sacrifice as payment for your sins. Repentance allows us to approach the throne of God. And this is only the beginning of a path that will take the rest of our

lives to divide the truths of Gods laws and words among all Christians. The first step Love God and ask for wisdom before you read. We are all Abrahams children. The Gospel of the Kingdom will be preached to all nations. Lets all become New Christians just like the Disciples of Christ and the temple of God that we are. Heres some interesting information. The gates of the temple were named in order as one approached the alter to worship God. The first gate or entry was called the way. Guess what the other two were? John 14:1 Peter 3: Matt. 24:14 Matt. 19:14 SOMEWHERE ON THE OTHERSIDE (8 of 10) We can some what imagine what God has planned for us. He does know what we like and what is good and not good for us. I Cor. 2:9 Romans 6:23 The devil was able to approach Gods throne Jo b1: 6 even after he was cast down Ezekiel Chapter 28 Since this CD is a home recording we cannot apologize for not removing our beloved golden retriever, Shelby barking in the background of this song. Our Shelby died October 9th 2005 from old age. She was a big part of our lives for 14 years and her memory remains in the song. WONDER (IN BACK OF MY MIND) (9 of 10) The word of God is real. Our feelings, angers, emotions, opinions, and outlook on life are just as real. Isaiah 11:9 Isaiah 65:25 TIME TO REST (10 of 10) Take time out to look back at your 6 days of completed work and rest from it each 7th day. This is a pretty big deal to God so make sure you do it right according to his word and not your convenience or the ways of man. The time to rest is fairly easy. Just kick back and enjoy what God has made. God does reward you for resting on his chosen day. John 20: Gen. 2:1 Exodus 20:8 Luke 12:31 BLESSINGS TO YOU Prayers always welcomed and returned. Praise to God who gave us these songs for the world to hear Vic Cindy of ViCindy
