

... No Continuing City - Ralph Cunningham

The City is Toronto, his hometown: lovers of Toronto will recognize the place-names. He also has a Biblical motif ... "for here have we no continuing city, but we seek one to come." (Hebrews, XIII, 14) Largely of the era 1930-1960, these portraits reflect this transcendental theme together with the history & mutability of Toronto. Some rejoice in the changes; others beware ... Intensely personal, his style is for the experienced poetry lover, but conveys with mastery & many haunting echoes of Eliot's poetry the fragmentary nature of life for the modern big-city dweller. Projecting these effects, "Christmas Weeks" concludes with a masterly evocation of what the real Christmas means For info call (604) 277-3864 or email: jrmbooks@hotmail.com Author: Cunningham, Ralph Publisher: Multicultural Books Illustration: N Language: ENG Title: ...
