

Site Flipper's Guide To Transferring Websites-with 3 Bonuses

[DOWNLOAD HERE](#)

Comes with three BONUSES! Learn The Ins & Outs Of Transferring Websites, And Get Reports & Videos That You Can Pass Along To Your Buyers! Does the thought of helping a buyer get their new website transferred to new hosting make you want to avoid site flipping completely? Let's face it, the idea of setting up new hosting, getting all the files transferred over properly, exporting and importing the database (for Wordpress sites) and all the other "techie" stuff that's involved in selling a site is more than most people want to have to deal with. Sure, you can leave it up to the buyer, but what if they expect you to help them through the process? Don't you think that being able to offer them help with this step is going to make you stand out from all the other site sellers out there? Being able to offer that service has helped me get more bids on some of the sites I've sold, and it has generated repeat business from buyers who were happy with the service I gave them after the sale. If you'd like to be able to offer this assistance to your buyers, but don't know how to handle it yourself, this package is perfect for you. Here's What You'll Receive: * 2 PDF reports - one for the seller and one for the buyer, explaining the process for transferring both static and Wordpress-based sites after the sale is finalized * 4 video walkthroughs showing the process from start to finish (two for the seller - static sites & Wordpress sites plus two for the buyer - static sites & Wordpress sites) For the seller, you'll learn things such as: * How to ensure you have the latest version of your website to send to the buyer * How to export your Wordpress database * Things to consider when transferring licensed scripts, plugins, themes, etc. * The most effective way to deliver the site files to the buyer For the buyer, we'll cover topics such as: * How to download & prepare the site for uploading to their server * How to create a Wordpress database and import all content and settings for the site they've bought * How to reconfigure Wordpress for new hosting * The most effective way to test the site before permanently redirecting the nameservers BONUSES: BONUS#1: Instant Site Flipping Riches - with Master Resell Rights: Instant Site Flipping Riches is broken down into 5 easy-to-follow videos, teaching you how to build and sell websites and see big paydays! This is how all your websites will be architect from now on - programmed to be sellable and to be sold for big paydays!
