

Tv Goes To Hell: An Unofficial Road Map Of Supernatural

[DOWNLOAD HERE](#)

As a natural heir to the hit television series Buffy the Vampire Slayer, Supernatural has risen to prominence with a strong cult following, and this series of essays from contributors around the globe investigates the genre-bending series cultural footprint both in the United States and abroad. The writings explore topics such as folklore, religion, gender and sexuality, comedy, music, and much more, and a brief guide to all the episodes is also included. Supernatural follows brothers Dean and Sam Winchester as they encounter and battle evil beings such as vampires, shapeshifters, ghouls, and ghosts from a multitude of genres including folklore, urban legends, and religious history.
