Anyone Can Play Harmonica An Easy Guide to Getting Started Method of Delivery: Video File (.avi) 36 Mins. Heres a lesson for people of any age who want to play the harmonica. This pocket-size instrument has been a favorite for generations, and theres no easier way to get started than this basic lesson. All you need is a 10-hole harmonica in the key of C and youll be playing in no time. Peter Madcat Ruth starts by showing you how to simply inhale and exhale to make sounds on the harmonica, and then turns this into a basic train rhythm exercise. By narrowing your lips to get single notes, youll quickly be playing the easiest of all harmonica songs, Oh! Susanna. Refining your basic technique further, Madcat demonstrates the proper way to hold the instrument so you can achieve good tone, vibrato and wah wah sounds that are typical of good harmonica playing. After learning the major scale, you are ready to play a number of songs, and Madcat teaches popular campfire favorites: Go Tell Aunt Rhody, Shenandoah, Down in the Valley, On Top of Old Smoky, Polly Wolly Doodle and Camptown Races. Moving on to the tonguing method, he demonstrates how to combine melody notes with chord accompaniment and octaves to create more advanced sounds on your harmonica. Once youve worked your way through this

very easy and enjoyable lesson, the world of harmonica playing will be open to you, and you'll be well on your way to more advanced styles and techniques. Perfect Manuals Where we bring Perfect Manuals right to your computer screen with little effort on your part. We strive to provide you with the most updated manuals available 24/7 and for immediate download. Please contact us via our email address below if you have any questions or need help concerning a troublesome transaction. Thank you. Email Address: perfectmanuals@gmail.com Additional Info: When doing business with us, we make sure you are getting the most up to date manuals available at prices that cannot be beat from our competition. However, if you do see someone with a lower price, contact us with the website link at perfectmanuals@gmailand we will readjust the price to beat them by 25 percent. BE CAREFUL OF OUR COMPETITORS! Please take note of our version of the manual since our competitors offer a less revised version of the same manual at a higher cost. This is just our way of saying we take care of our customers and to be careful of those who offer less than what you deserve to get. And if you are unsatisfied with what you get, please contact us at perfectmanuals@gmailand we will attempt to rectify the problem. Again, we strive to make sure your manual is perfect and like you we accept nothing less than perfect. Thank you for shopping with us! We hope you come do business with us again in the near future.
