This is the eBook version of the printed book. If you're trying to build wealth, sharp market downturns are your worst enemy. And nowadays, they're happening far more often: in the last 18 years, the SP 500 has experienced sixteen violent declines. Institutions and professional investors have mastered powerful hedging techniques for dramatically reducing the risks of market volatility. Now, you can do it, too--and you can't afford not to. In *Buy and Hedge*, two leading investment experts show how to apply hedging as part of a long-term program for growing and preserving your assets. CNBC *Fast Money* guest Jay Pestrighelli and seasoned financial industry veteran Wayne Ferbert show how to systematically protect yourself against violent downward moves while giving your portfolio maximum room to run in upward markets. The authors' techniques are easy to use, can be applied to most investment vehicles, and--once implemented--require surprisingly little "care and feeding." You'll discover how to take advantage of the hedge-building mechanisms built into low-cost index funds invest in your ideas with confidence, because you've hedged the downside systematically manage portfolios for risk as well as return master and apply the "5 Iron Laws of Buy Hedge" use options to manage risk, not to create excess leverage generate more dividends effectively manage cash and much more!
