

# Heart Of Forex Trading Indicator For Mt4 (guaranteed)!

[DOWNLOAD HERE](#)

Heart of Forex Trading Indicator for MT4 (Guaranteed)! am pleased to show you the The Heart of Forex. This great tool shows the real current price move for all TimeFrames. Displays up to 26 pairs and 9 TimeFrames on the same chart. With only one eye, you'll be able to watch, compare all similar pairs and then see if they agree for the same direction. You no longer need to switch between pairs and TimeFrames. This tool is based only on the price move. No indicators or any others tools are used for the calculation of Heart of Forex. Only Price Action. Whatever your trading style, it's very important to know if the price move is a small isolated one or if the correlated pairs move all together. The more the similar pairs agree, the more the move is real and good for catching some pips. After observing this tool, you will be able to define which similar pairs move together for a strong move. It incredibaly displays up to 26 pairs and 9 timeframes:

EURUSD-GBPUSD-AUDUSD-USDJPY-USDCHF-USDCAD-EURJPY-EURGBP-EURCHF

EURAUD-GBPJPY-GBPCHF-AUDJPY-NZDUSD-NZDJPY-AUDNZD-CHFJPY-EURCAD

AUDCAD-CADJPY-EURNZD-GBPAUD-GBPCAD-AUDCHF-NZDCHF-CADCHF

M1-M5-M15-M30-H1-H4-D1-W1-MN You dont need to apply more than one Heart of Forex on your trading platform. It displays ALL selected pairs and ALL selected Time Frames on the same chart

regardless of which chart or time frame you use. How to read the Heart of Forex ? 5 different colors according to the current price move on a specific TimeFrame: BLUE : strong up move for this TimeFrame LIGHT BLUE : up move for this TimeFrame YELLOW : move is flat for this TimeFrame ORANGE : down move for this TimeFrame RED : strong down move for this TimeFrame
