

## MP3 Acoustic Soul - Urban/r&b: Smooth Soul

[DOWNLOAD HERE](#)

Somewhere between James Taylor and Stevie Wonder, Acoustic Soul blends a grace of harmony, words that matter again, soulful rhythms, and warm guitar. 12 MP3 Songs URBAN/R&B: Smooth Soul, EASY LISTENING: Adult contemporary Details: Thank God for Acoustic Soul, theyre one of those bright energetic new groups thats emerging on the scene that is solidly taking Black Music and music in general onto a level that one can feel, relate to, and completely appreciate, both on a musical as well as lyrical and in their case acoustic level. From a Hip Hopper this group is something that I can definitely get with. Davey D., Bay Guardian Somewhere between James Taylor and Stevie Wonder, Acoustic Soul is a words that matter again, part acoustic part electric, album. Although it covers a range of styles (beautiful vocal arrangements) these songs really hung together as a heartfelt statement from a contemporary mind. If you like Hammond B3 and Fender Rhodes, you wont be disappointed on this one. Supple grooves, spiritual flashes and the smooth sound on vocals and guitar of Emil BorgirAcoustic Soul is a soothing tonic for a post modern headache. Joel Selvin, S.F. Chronicle
