music that speaks directly to life with toe-tapping irrepressible rhythms and a ton of motivational fire that is positively positive. 12 MP3 Songs LATIN: Latin Pop, FOLK: Modern Folk Details: The title of this album stems from the number of gift-wrapped messages it contains. Here is an album with unique attitudes to life and living in its lyrical content, each message absolutely relevant and useful to today's life and living in a rather unpredictable way, and blessed with outstanding rhythms that keep you wide awake in toe-tapping interest. The song, "Lamb Base Them" deals with the subject of Revenge in a fascinating and quite unexpected way. "Love And Marriage" looks at what is happening to Marriage in today's America. Whatever happened to the horse and carriage! It seems many are into "carriageless sex"! "Work It Out" tells a fascinating tale that reverses the usual order of things: What you give is what you get, and what you hate hates you back; but you can "work it out." Even if your problem is over-eating, you can "Work It Out!" "Punch It In" says that you've got what it takes to make it, no matter who tries to pull you down! It all depends on one thing: your inner resolve. Doesn't matter who didn't love you, somebody will! And there's always something you can be good at. "Love One Another" gives us a picture of the world not as God made it, but the way we as humans have shaped it, making man a bit of a bafflement to a God of Love, as people in the world keep "blowing up their brothers and sisters"! "Touched By Love" is a reggae ballad that tells what we can do for a loveless, and oftentimes harsh world--Touch it with Love wherever you can whenever you can. "Shake It" all up and stir with love for our brothers and sisters across all boundaries and barriers. That's what "Shake It Up" says. All the other songs on the cd are like these others, what you might call value-added, with rhythms that pick you, the listener, up! Apart from its entertainment value, then, this is truly an otherwise valuable album, for whenever you are down and need to be picked up with dynamic motivational encouragement, this album does just that, and becomes a valuable item in

your collection of often played cd's. And if you also like working out to music, then "Work It Out" and "Punch It In" are among the ideal ones.
