

Mp3 Dream Utopia - Four Elements

[DOWNLOAD HERE](#)

An inspirational combination of New Age, Smooth Jazz, Soundtrack and Ambient with a contemporary Mediterranean twist. Melodic and passionate, this collection of instrumental songs will allow listeners to "Travel the world without leaving their home." 8 MP3 Songs in this album (31:47) ! Related styles: NEW AGE: Contemporary Instrumental, JAZZ: Smooth Jazz Details: Keri Salas, of Dream Utopia, is a fourth generation musician and as a child was honored to be a first chair violinist and pianist. She began playing music by ear when she was only four years old. Now she creates and produces inspirational music while combining the elements of several influential instruments and sounds with her true life experiences. The result is passionate, fulfilling and enlightening to listeners who are seeking a real life journey.
