R B / vocals 6 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: Soul Details: Hello, My name is Erik Johnson and my dad started getting instruments for me at the age of eight years old. I've been playing music ever since. I am a singing drummer; however, I play a few different instruments: piano, flute, harmonica, vibraphone, marimba, conga, tambourine. I was a percussion major at the University of the District of Columbia, in Washington, DC. before deciding to dive into the music business full-time. You see, music is a life-long love for me, and I have put "my all" into each and every song I write and perform. At present time I am the CEO of Nat.Selc. Publishing Company and leader of a band called Natural Selection. We perform at the Channel Inn Hotel and Restaurant, in the Engine Room. It is a great spot because it is located on Washington, DC's very own waterfront. You can hear us five nights a week and on any given night, you will here one of the cuts from my CD played live by the band. Well, that's enough about me.....Go check out my 'Dancin Shoes'CD and tell me what you think. Thanks for taking the time to check me and it out! Erik G. Johnson p.s. 'Dancin Shoes' is my first CD. All vocal and instrumental parts were performed by me(Erik Johnson).
