

Mp3 Jed Sheldon - Gravity

[DOWNLOAD HERE](#)

This acoustically based Americana album is the rich and thoughtful product of Grammy Award winning engineer Jim Watts, highly acclaimed producer Jeffery David, and newly discovered singer/songwriter Jed Sheldon. 10 MP3 Songs EASY LISTENING: American Popular Song, EASY LISTENING: Nostalgia Details: Jed Sheldon's debut album GRAVITY is filled with integrity and honesty. Each melody shares a secret into Jed's journey from the security of Fargo, ND to the uncertainty and anonymity of Southern, CA. His warm voice creates an intimacy that demonstrates power through vulnerability. Unlike his earlier work, which was filled with pessimism and sarcasm Jed has survived vain weather leaving him with nothing but the contention that honesty is the only true form of self expression. Jed Sheldon's album GRAVITY is so much more than melodies, it is his unread diary...until now. --Brent Ostbye, Music Critic Jed Sheldon is a singer/songwriter with a huge talent to connect intimacy and thoughtful lyrics while weaving lush melodies in songs. Telling stories and making me feel good too, it's a gift! --Jeffery David, Music Producer You need to see Jed Sheldon perform to truly grasp his willingness to share his life with you. He is inspiring, humble, quirky, and insightful all at the same time. The GRAVITY album is a great place to start if you have not yet heard him live. --Christopher Marsden, Musician Well if you have read this far here is my take on me and my music. when i am not signing autographs at coffee shops I am changing diapers for a living....
