All original songs that cross the boundaries of many musical tastes, fusing contemporary smooth jazz, R&B, and the Blues. 12 MP3 Songs JAZZ: Smooth Jazz, BLUES: Rhythm Blues Details: "Break Out Of Bounds" is my debut album. A few short years ago, I was struck by the songwriting bug and decided to make my own music. Little did I know how much I had to learn and how much hard work would be involved in actually producing a CD. To tell you the truth, performing live is a breeze compared to this! Many artists have influenced my playing and songwriting, and I've had the benefit of valuable criticism from my fellow musicians, amateur and professional. The hardest question to answer about my music is 'what is the 'genre'? With such a mix of jazz, R&B, Latin and blues, I'm never sure! What I know for certain is that a lot of me went into these songs and my only wish now is that others will connect to my lyrics and enjoy what I've put down in this album. Jimmie Lauder
