

Mp3 Kevin Ray - Karaoketown

[DOWNLOAD HERE](#)

Piano based theatrical pop rock music 15 MP3 Songs POP: Piano, ROCK: Acoustic Details: Kevin Ray is a songwriter originally from Los Angeles, California. He has a unique style of piano based pop rock derived from growing up on artists like Elton John, Stevie Wonder, Bruce Springsteen, Elvis Costello, Joni Mitchell, and Billy Joel mixed with elements of theatre, jazz and soul music. His songs are personal and literate and run from intensely emotional to humorous to political. He has spent time in San Diego fronting the blues rock band "Chuck Roast and the Electric Brunch" , -co-founded the theatrical rock outfit "Ma's Furnace", released four solo c.d.s and was a union agitator on Sunset Blvd. He has written and staged a reading of a full length musical-"The Last Word" about jazz musicians in Los angeles in the 40's and is at work on another. He is currently living and performing in New York City and recording his next project. kevin has a couple songs in the new film "Zerophilia" coming out on October 13th- "Raw Nerve" and "I Don't believe you have it in you-he is also putting the finishing touches on a new double cd of music- it should be available early next year-or maybe by the holidays-check out "music" for some selections
