The lyrics and the modern rock sound of this work are enriched with complex guitar textures and effective string and vocal arrangements. Come and celebrate this journey with us. 11 MP3 Songs ROCK: Modern Rock, METAL: Alternative Metal Details: Since the release of "Freestyle" in 2002, Argentinean guitarist and producer Martin Van decided to form an occasional group to perform songs from his solo album. The first studio collaboration in early 2003, shook everyone with its great vibrations, leading naturally to the creation of what is known today as Orquest. Working together, the new band achieved a synergy of creative talents mixing powerful musical cocktail, and showing influences of artists, such as Deftones, Depeche Mode, Sound Garden, Alice in Chains, Janes Addiction or Red hot Chilli Peppers. As a result of an intense 6-month pre-production and very successful and well-attended shows, Orquest finished the recording of its first CD. This new work represents a deeper response to musical frontiers first discovered in Freestyle, in which Orquest sets up its own universe of musical exploration. Vocals, Esteban Martinez Drums and Sequences, Guillermo Suarez Guitar and Sequences, Martin Van Bass Guitar, Otto Tezla
