Social revolutionary theme music. 12 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Alternative Hip Hop Details: Best summarized by the lyrics to "So Beautiful": thinking this world could be so lovely, why we gotta make it ugly? sick of seeing my earth cry, stepping through puddles of her tears sweet couple's screams muffled, street struggles, lyric scuffles to beats in trouble discreet huddles, feet shuffle, defeat subtle overseas the heat doubles bubbles burst hunger and thirst, we're among the worst we love our substance, love the fine apparel the path could be so wide I think it's us that makes it narrow poison arrows trying to harm me coming at me from my own army now what's up with that? abusing the gift of music, using technology as a trap every time I turn on my tv I get assaulted, yeah I could turn it off but turning it off aint gonna make it stop, they're still going after my brothers my sisters my seeds, my earth blisters and bleeds symptoms tricked and deceived, don't believe me? try finding an episode of "Friends" where they don't invoke pornography a movie they don't ruin through allusion - it's an anomaly living less than well try watching SNL for two minutes without crudeness in it images lewd and vivid, we consume and live it, so easily deceived it's freedom right? freedom left when we turned out the light they got us right where they want us, even worse, we're paying them for it you'd think if someone beat you and took your money you'd hate them for it the truth is they don't want me to talk about it cuz the truth is how beautiful this world could be without it so beautiful, we gotta choose the light of grace and of joy so beautiful, we choose the substance that resides in the soul it could be what we choose it to be it's so simple, with a thought we can change who we be no imposition on your heart, it's so delicately, given with our love from our divinity keep yourself open and continue in hope, no matter what find your truth, don't give into the dope, what they push, an unnatural high, it's a lie, choose your higher high inside sometimes I hate this world, i'm still in love with it no matter what she chooses I can still see she's beautiful even

through the cuts and bruises I know she could still make it, know this life can go on as far as we can take it if we live in the spirit why don't we walk in the spirit? talk in the spirit take a minute and give a little bit of thought to the spirit see this garbage for what it is, go ahead, throw your hands up but don't forget we're under His to make their money deception is a must but respect and trust could make affections and lusts effectively dust expecting too much in this case is essential cuz only through the beauty of the beholder's eyes is she gonna realize her potential no surprise, it wont be televised, the truth is too fresh see in this revolution we crucify the flesh not even speaking for myself, feels more like these words hit me time to move on, people groove on, now work with me
