NewAge, orchestral music based on fantasy themes such as unicorns, dragons, and princesses will propel you into a musical w 10 MP3 Songs NEW AGE: New Age, EASY LISTENING: Mood Music Details: A new CD featuring all new music by Ryan N. Harrison! This CD will astound you with its 10 new, original pieces of music, carefully composed and orchestrated to give the listener an aural experience of a lifetime. Gentle and poignant melodies will keep you mesmerized, conjuring visions of sleeping unicorns and forgotten lands. Powerful and intense rhythms will have your blood pounding as you daydream about dragons and lightning-driven thunderstorms. In the Beginning will be an experience no one should miss! Others who have heard samples of the music from his upcoming CD have said: "This is incredible! It is so amazing how Ryan can capture a picture in a song without words. I feel like I've been taken from one world to another!" - Lorene Thomas "This music moves me in the most profound way, for it provides a spiritual journey in which One can find a 'Sense of Self' on many different levels. It can be what you want or need it to be. Very healing indeed." - Janet Telenko-Davis "Some pretty powerful music, with a good strong sense of fantasy running through it. Stimulates emotion and imagination." - Heather Gibbs Don't delay -- GET YOUR COPY TODAY!
