A hybrid of progressive rock, punk, industrial and world music with Jewish influence performed on bass guitars, flutes of all kinds, exotic instruments like the shahnai and snake charmer sounding just like a 74 minute ethnic festival gone out of control. 21 MP3 Songs ROCK: Punk, WORLD: Judaica Details: "Punk music needs more woodwinds" "Jethro Tull meets Ministry meets the Butthole Surfers-the most original thing i ever heard!" "Steve Lieberman-the father of the punk-rock flute!!" "Sure to be a hit in its genre:punk or thrash or folk or industrial or..." "like Ian Anderson on acid..." just some of the quotes used to describe Steve Lieberman's newly released cd,"Bad'lania Rising". An ambitious and propulsive 21 song offering mixing punk,prog-rock,industrial,world and exotic with Jewish influence. Already a big hit here and abroad on mp3 internet sites.in fact on a European site,beSonicof some 80,000 entries,songs from Bad'lania Rising have concurrently topped Prog Rock , Punk,Alt Hip Hop,Metal and Country chart(yes,country!!!)for 15 weeks and running!!Also impacted mp3top 100 charts in hardcore,industrial rock,alt.country,Jewish/Israeli,Garage Punk and Children's(yes,Children's!!!)Besides the crossing of genres,this work is original because Steve Lieberman plays all chords and leads on a feverishly overdriven BASS guitar without the use of 6-string guitars or keyboards,then adds his new found eccentric mastery of all kinds of flutes,happy flutes,trombones,clarinets and a slew of exotics as the shahnai,been duduk,dvoyanka and bagpipe chanter!From this you get a hard-rock hybrid sounding like a lo-fi ethnic festival gone out of control somewhere between the factory and the mosh-pit! Steve Lieberman played the bass for 31 years,sang for 11 years and played the flute for uhh 6 months.Bad'lania Rising is an ultra-original experience not soon forgotten for the many who have already experienced it!!!
