Death country; pop; alternative country; country noir. 10 MP3 Songs COUNTRY: Traditional Country, ROCK: Progressive Rock Details: This second studio album from The Buttless Chaps has a wild mix of styles, all created over the course of 1998/1999. Recorded and mixed in Burns Lake, B.C. at Ronin Digital Works and mastered in Victoria by Tolan McNeil at Media Magic. The front and back cover paintings were done by Victoria artist David P. Smith, and the interior artwork was created by the band. Highly recommended if you've got a big variety of tastes. 'Possibly the hardest working Canadian band to surface in the past few years, Victoria's Buttless Chaps follow up their splendid debut. . . on a wild musical expedition that takes us all over the map.' 'And you thought all West Coasters were lazy stoners.' --Jon Bartlett, Exclaim! ' . . .the Chaps have put out a second album of toe-tappin' versatility. I recommend this album. . . ' --Patrick Beattie, The Martlet
