

Mp3 Tim Noah - One Fell Swoop

[DOWNLOAD HERE](#)

With heartfelt ballads, whimsy, and foot stomping rockabilly, this album presents the unique vision of an American dreamer; reminding us of what we've lost, what we've become and the tender promise of what could still be. 11 MP3 Songs COUNTRY: Americana, FOLK: Folk-Rock Show all album songs: One Fell Swoop Songs Details: Emmy winning songwriter, Tim Noah, has the unique ability to reach across generations and genres to captivate audiences of all ages. His rich voice and tantalizing guitar arrangements provide the perfect vehicle for original songs that speak of true love, the power of imagination, reckless hearts and wild abandon. With humor, storytelling and effervescent energy, Noah warms the heart and inspires listeners to dream. Mr. Noah's original Americana CD, One Fell Swoop, recorded in Nashville was released October 20th. His holiday CD, Faces of Christmas, features songs written especially for the holiday season, including songs chosen for 6 Christmas in the Northwest CDs, including this year's 2007 compilation. Tim Noah hosted the award winning weekly series How Bout That and is the recipient of 8 Emmy awards for his music and television productions. He is the star of the award winning children's special In Search of the Wow Wow Wibble Woggle Wazzie Woodle Woo! which aired on HBO, The Disney Channel, The Super Channel and on the BBC in England. Tim is a unique and charismatic performer with non-stop energy and enormous talent. ABC TV, New York Tim Noah Productions offers performances varying from solo shows to full scale musical stage productions. Tim and partner Cyndi Soup Elliott also provide Artists in Residence Songwriting workshops for schools and camps.
