Show all album songs: MacLear 4 Songs Details: Tom MacLear has written, toured and recorded with some of the most influential artists of our time. This singer-songwriter and acclaimed slide guitarist has found no boundaries in genre, demographics or geography. A prime example of this exquisite mix can be found on MACLEAR -4-. 'THE BONNIE BLACK' begins with a haunting Scottish Pipe, supported by blasting Celtic Drums, melting into a throng of industrial/rock/metal guitars, trimmed with a Blues Slide guitar. 'THE BONNIE BLACK' (within one song) spans almost every style of music currently popular with so many around the world. Touches of Goth to Hip-Hop to Rock to Folk all laced with Blues and Celtic tones, MACLEAR -4- is certainly a work of art... 'A powerful and polished piece of work' (BBC Scotland) Released six months before the 9/11 tragedy, many of 'MACLEAR -4-' songs are quite prophetic in their tone and message. 'EVERYBODY KNOWS' 'THE SILENT WHITE' 'NATURE WASTE' 'KEEP YOUR LIGHTS ON' Socio-Political observations made by Tom MacLear and shared as warnings, rally cries and as challenges to the public. 'Everybody knows what its like to grow hungry... but where do the answers lie in you?..' Tom MacLear asks us. An All-Star line up of musicians guest on this wonderful work... Gordon Waller (Peter&Gordon) Thom Mooney (The Nazz and Rita Coolidge) Kirk Arthur (Chuck Berry) Eric Rigler (Rod Stewart) and many more. MACLEAR -4- ... an important CD for your collection.
